CORRESPONDENCE/MEMORANDUM

State of Wisconsin

DATE: October 21, 2004

TO: Terry C. Anderson – Director, Legislative Council

FROM: Michael A. Lutz – LS/5 - DNR *ML*

SUBJECT: Remedial Legislation Proposal – Non-resident fur-bearing animal hunting license

Under s. 29.213, Stats., a non-resident fur-bearing animal hunting license is available to non-residents and authorizes the hunting of a number of fur-bearing animals including cougars. Wisconsin does not have wild cougar and even if we did, it is listed as a protected species in Wisconsin under s. NR 10.02, Wis. Adm. Code. Currently, no resident license authorizes the hunting of cougar in Wisconsin. We recommend that the word “cougar” be stricken from s. 29.213, Stats.

I have Attached s draft of LRB-0539/P1dn from the last legislative session that correctly incorporates our suggestion.

I also removed "cougar" from s. 29.001 (30) for the same reason that the term is removed from the hunting license authority. Those are the only two places where "cougar" is mentioned in the statutes.

2005 Bill

Regen

- 1 AN ACT to amend 29.001 (30) and 29.213 of the statutes; relating to: hunting
2 of cougars (suggested as remedial legislation by the Department of Natural
3 Resources).

Analysis by the Legislative Reference Bureau

This bill removes references to "cougar" in the definition of "fur-bearing animals" and in the list of animals that a person may hunt with a nonresident fur-bearing animal hunting license.

For further information, see the NOTES provided by the Law Revision Committee of the Joint Legislative Council.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

LAW REVISION COMMITTEE PREFATORY NOTE: This bill is a remedial legislation proposal, requested by the department of natural resources and introduced by the law revision committee under s. 13.83 (1) (c) 4., stats. After careful consideration of the various provisions of the bill, the law revision committee has determined that this bill makes minor substantive changes in the statutes, and that these changes are desirable as a matter of public policy.

4 SECTION 1. 29.001 (30) of the statutes is amended to read:

1 29.001 (30) "Fur-bearing animals" includes otter, beaver, mink, muskrat,
2 marten, fisher, skunk, raccoon, fox, weasel, opossum, badger, wolf, coyote, bobcat,
3 cougar and lynx.

4 SECTION 2. 29.213 of the statutes is amended to read:

5 **29.213 Nonresident fur-bearing animal hunting license.** A nonresident
6 fur-bearing animal hunting license shall be issued subject to s. 29.024 by the
7 department to any nonresident applying for this license. The nonresident
8 fur-bearing animal hunting license authorizes the hunting of skunk, raccoon, fox,
9 weasel, opossum, coyote, and bobcat and cougar during the appropriate open season
10 but does not authorize the hunting of other fur-bearing animals, other small game,
11 deer, elk, or bear.

NOTE: According to the department of natural resources, Wisconsin does not have wild cougar. Further, cougar is listed as a protected species under NR 10.02 Wis. Adm. Code. Currently, no resident hunting license authorizes the hunting of cougar in Wisconsin. Therefore, the department recommends deletion of cougar from the authorized hunting under a nonresident fur-bearing animal hunting license.
